Subject: **COMMUNITY-BASED ENTERPRISE EDUCATION PROGRAM (C-BEEP)**

The Department of Human Resources, through its Community-Based Enterprise Education Program (C-BEEP), is once again coordinating the recruitment of unpaid student interns for placement within County departments.

The success of this Board-ordered program, however, relies heavily upon the participation of our County departments. Using the enclosed form, please update the contact information of your departmental C-BEEP designate. Also, please evaluate the current C-BEEP internship opportunities within your department and forward any appropriate updates following the format included with this memo. C-BEEP internships should be project oriented and afford the intern a meaningful work experience.

Internship updates should be sent to the address below or e-mailed to [pcephus@dhr.co.la.ca.us](mailto:pcephus@dhr.co.la.ca.us) by December 20, 2002, for initial on-campus job fairs. Ongoing submissions will be accepted for future recruiting efforts.

On-campus internship fairs are an integral part of our efforts to recruit high-caliber C-BEEP candidates, and having a departmental representative on-campus during applicant recruitment is essential to streamlining the selection and placement process. On-campus recruitment for the Spring 2003 semester will begin as early as the first week in January. Information on these and other on-campus recruiting events will be forwarded to respective departmental C-BEEP coordinators in the near future.
